

PROVINCIAL TEAM MEMBER NOMINATION FOR CANADIAN CHAMPIONSHIPS

Submit your intent to nominate to ride as a member of the Province of BC Team (50 and/or 100 miles) to the ERABC Secretary by **May 31ST, 2008**. A **non-refundable** fee of **\$10.00** payable to ERABC **must** accompany the nomination. If you do not meet the criteria you may still nominate and you will be listed in order of qualifications.

In addition to that criteria set by the Rocky Mountain Challenge Organization Committee (not yet set);

Criteria 100 mile ride:

Must be a member, in good standing, of ERABC.

Horse and Rider, separately or as a team, must have successfully completed 300 career miles of endurance competition including at least one Top 10 placement in a ride of 50 miles or greater, with at least ten starters, in the past 2 years. The horse/rider team must have successfully completed a ride of 50 miles or greater in the past 2 years.

Criteria 50 mile ride:

Must be a member, in good standing, of ERABC.

Horse and Rider, separately or as a team, must have successfully completed 200 career miles of endurance competition including at least one Top 10 placement in a ride of 50 miles or greater, with at least ten starters, in the past 2 years. The horse/rider team must have successfully completed a ride of 50 miles or greater in the past 2 years.

Each team member must pay an additional **\$100.00** to the OC upon entering. This applies for **either** distance.

Each team will consist of 3 entries (horse/rider(s) combination) plus an alternate entry.

Late nomination may be accepted until June 15, 2008. Late fee add \$10.00.

Entry into Team Canadian Championship rides will be limited to Canadian **Endurance Canada** members but otherwise all rides are open to anyone. There will be Provincial Team Competition as well as Individual Open in the Canadian Championships. For the 100 mile endurance ride, some provinces may not have enough 100 mile riders, therefore it may be necessary to combine some provinces into regions to get enough for a team. A team consists of three riders with two needed to finish for team completion.
